Representative Leach's Praises Enactment of Electronic Wills and Trusts Bill

STATE CAPITOL, PHOENIX – Representative Vince Leach (R-11) thanked Governor Ducey for signing [HB 2656](#) into law.

HB 2656 was sponsored by Representative Leach to recognize wills and trusts prepared and signed electronically.

“Arizona’s recognition of electronic preparation and signing of wills and trusts is long overdue,” said Representative Leach. **“People can still prepare their documents the old-fashioned way, but this new option provides a faster and safer alternative to that process.”**

“Even though Governor Ducey signed this bill with his pen and not an electronic signature, I’m still thrilled Arizonans will now have alternative option for filing these wills and trusts.”
